Hundreds Sign Petitions For Tax Reduction

Workers in Lomita Find Active Support Among Tax Payers

LOMITA.—Since the petition was launched in Lomita a few days ago, signatures by the hundreds have been obtained to the petitions now being circulated in behalf of the proposed Taxpayers League which seeks to reduce the amount of state, county and city taxes by at least 30 per cent. Petitions are in the hands of N. H. Cline, Mrs. Thomas R. Willis, Judge S. D. Patterson and others who are working diligently to bring this project to the notice of the taxpayers in Lomita and vicinity.

In addition to personal solicitation, cards have been sent out to be signed and returned, bearing the pledge of the signer to "work by every legal means within our power" to accomplish the desired tax reduction.

The Taxpayers League was launched by John T. Gaffey of San Pedro a short time and has been taken up by numerous communities in Los Angeles county.

Mrs. McKenzie Taken Suddenly

Former Torrance Resident Dies in Boston Hospital Sunday

Local friends and relatives of Mrs. G. W. McKenzie, 58, formerly of Torrance, were shocked this week to learn of her sudden death Sunday in Cambridge hospital, near Boston, Mass.

Until two years ago, Mr. and Mrs. McKenzie lived at 1815 Andree avenue, Torrance, when they moved to their former home in Boston.

The telegram transmitting the sad information of Mrs. McKenzie's passing did not state how long she had been ill, but local relatives believe she was stricken suddenly Sunday morning and taken to the hospital. The telegram stated she was in a semi-conscious state for a few hours before passing on.

Besides her husband and the deceased infant daughter, Mrs. John MacCush, and a son, Gordon H. Carter, of Minneapolis, Minn. Four step-children also remain: Mrs. C. L. Ingold and Mrs. A. W. Smith, both of Torrance, Mrs. Percy Simonson of Indianapolis, Ind., and Roy McKenzie of Wichita, Kans.

Mrs. McKenzie was a member of Central Evangelical church in Torrance, and prior to her departure for the East two years ago, she was an active worker in the church organizations. She leaves a host of friends in this city who mourn her loss. Mr. and Mrs. McKenzie had planned to return to Torrance in the near future to make their home.

Mrs. Wells passed on at the home of her daughter, Mrs. E. C. Paisley, 733 Sapphire street, Redondo Beach, following a long decline. Until about six months ago the family resided in Torrance.

Mrs. Hattie Radford, who has been a patient at the Jared Sidney Torrance Memorial hospital for several days, suffering from an infection in her jaw, is reported to be recovering rapidly.

Mrs. Phoebe Milburn, city hostess, is reported quite ill with flu at her home at 1916 Andree avenue.

ELEMENTARY School Notes

The Perfect Attendance Party of Principal William M. Bell was held Thursday afternoon, January 27, at which time 240 children who had not been absent or tardy this term received certificates. A program of school talent was arranged by Mrs. Gertrude P. Haydon and Mrs. Armeta P. Bond. Mr. Bell presented each child with a candy bar.

This party is held semi-annually by Mr. Bell. It has been of great value in maintaining a high record of attendance for the school.

On Friday last, at noon time, the 46 pupils enjoyed the semi-annual graduating class party given by the faculty in the cooking bungalow. A beautiful pottery vase, the gift of the graduating class, was presented to the school at this time. According to Mr. Bell's suggestion, the vase will be placed on the piano in the auditorium when programs are presented. At 1 o'clock the pupils filed to the high school, where they were permitted to visit the various departments, preparatory to their entrance on Monday, January 25.

Pulmotor Squad Fails to Save Life of Babe

Although a pulmotor squad worked diligently for more than two hours Wednesday they were unable to save the life of Duane Thomas Pearce, 6-months-old son of Mr. and Mrs. Roy Thomas Pearce, 1137 Eshelman street, Lomita. The babe had been ill with pneumonia. When it was seen that death was imminent Captain Frank Laski of the county fire department at Lomita was appealed to, and he called the pulmotor squad from Engine No. 9 at Florence. Their efforts were unsuccessful. Funeral services for the infant will be held on Saturday afternoon at 2 o'clock from Stone & Myers chapel. Interment will be made at Roosevelt Memorial Park.

Madrigal Singers To Give Concert For Unemployed

The Madrigal Singers, a chorus composed of young people of Torrance, singing without accompaniment, will give a program in the high school auditorium, Friday evening, January 29, at 8:00 o'clock. All proceeds will go to the Torrance Relief Society.

Mme. Teala Billini has graciously consented to be the soloist, and will delight her hearers with her usual flawless technique and brilliant interpretation. A large audience is expected both because of the worthy use of the proceeds to help needy families in Torrance and because of the many friends of the Madrigal Singers and Mme. Teala Billini who will welcome an opportunity to hear them in concert. This will be the last appearance of the Madrigal Singers for many weeks.
